3. no need for step 3. Step 1 and 2 over 80 but is more important to pass on first attempt
4. “For international graduates one year of post graduate experience in a psychiatric setting, either as a house officer in another country, or clinical research, externship/observership in USA is required. Some portion of this may be excused for other clinical/research work (neurosciences) in US, but generally the more psych experience the better.”
5. Community based. they have 3 PG1 n 2 IM-psych
West Virginia University Program

1. 30% IMGs
2. no geriatrics fellowship
3. no mention of step 3. no minimum scores.
4. no USCE required
5. http://medicine.hsc.wvu.edu/bmed/Education/General-Psychiatry-Residency-Program/Application
6. Dr. Daniel Elswick Program Director delswick@hsc.wvu.edu

WISCONSIN (1)

Medical College of Wisconsin Affiliated Hospitals Program (Milwaukee)

1. no list of residents
2. geriatrics fellow
3. doesn’t mention step3. over 200 scores.
4. needs USCE ane stuff that shows interest in psych Its says it prefers but no cutoffs regarding scores and experience
5. community based
7. PD: Mara Pheister, M.D. mpheister@mcw.edu
